Plan, design, and build the future of **architecture**

CALIFORNIA ARCHITECTS BOARD

DEPARTMENT OF CONSUMER AFFAIRS

PUBLIC PROTECTION THROUGH EXAMINATION, LICENSURE, AND REGULATION

The California Architects Board (CAB) is seeking licensees interested in giving back to the profession by serving as Subject Matter Experts (SMEs) and participating in California Supplemental Examination (CSE) development.

Two-day workshops are held throughout the year in Sacramento and conducted on Friday and Saturday. Occasionally, three-day workshops are held from Thursday through Saturday. SMEs receive a $200 stipend for each day they attend the workshops and are reimbursed for travel expenses in accordance with state guidelines.

To serve as an SME, a licensee **must**:

- Hold a current architect license in good standing; have no prior or pending disciplinary or enforcement actions.
- Agree not to participate in any examination coaching or preparation activities.

Licensees interested in the future of the profession can assist by serving as an SME. Those interested should complete a brief survey available on our home page at **www.cab.ca.gov**.

For more information about becoming an SME please contact Rikki Parks by email at **rikki.parks@dca.ca.gov** or by phone at (916) 575-7219.
