INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Section 5526 of the Business and Professions Code authorizes the Board to adopt, amend, modify, or repeal rules and regulations governing examinations and other rules and regulations as may be necessary. Section 5550 entitles any person who meets the qualifications set forth in the article to an examination for a license to practice architecture subject to the rules and regulations governing examinations.

Amend Section 109 – Filing of Applications

Existing regulations specify the procedures for filing of applications. This proposal would amend the regulations to require examination candidates who are subject to the Board's internship requirement, the Intern Development Program (IDP) of the National Council of Architectural Registrations Boards (NCARB) and the Comprehensive Intern Development Program (CIDP) established by the Board, to enroll in IDP by establishing a Council Record with NCARB prior to taking the national Architect Registration Examination.

Amend Section 116 – Eligibility for Examination

Existing regulations specify the procedures for filing of applications. This proposal would amend the regulations to require examination candidates who are subject to the Board's internship requirement, the Intern Development Program (IDP) of the National Council of Architectural Registrations Boards (NCARB) and the Comprehensive Intern Development Program (CIDP) established by the Board, to enroll in IDP by establishing a Council Record with NCARB prior to taking the national Architect Registration Examination.
