**NOTICE OF APPROVAL OF REGULATORY
ACTION**

Government Code Section 11349.3

OAL Matter Number: 2016-0826-01

OAL Matter Type: Regular (S)

The National Council of Architectural Registration Boards (NCARB) is the national test vendor that supplies the Architect Registration Examination (ARE) to the California Architects Board. NCARB developed a new version of the ARE and a transitional credit model for candidates. This action by the California Architects Board amends section 118.5 and adopts section 119.8 of title 16 of the California Code of Regulations to provide a transition plan for candidates for licensure who were not successful in passing all sections under the prior ARE and who are required to transition to the new ARE. This action also amends existing procedures to allow candidates who transfer to California to receive credit for passing the new ARE in another jurisdiction.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 10/1/2016.
