Communications Plan

February 2026

Introduction

The California Architects Board's core mission, vision and values are based on protecting the public health, safety, and welfare by establishing standards for professional qualifications, ensuring competence through examinations, setting practice standards, and enforcing the *Architects Practice Act*.

As a part of its strategic plan, the Board wishes to increase public and professional awareness of the Board's mission, activities, and services.

Developing and following a communications plan that outlines specific strategies can help the Board achieve its public awareness goals.

2025-2028 Communications Committee Strategic Plan Objectives

- Expand outreach and communications to educate the public regarding the Board's role and resources.
- Enhance communication to improve overall engagement with licensees and the public.
- Increase collaborative student outreach to shape an inclusive and representative licensee population.
- Educate the public about when licensed architects are required and what architects can do.

Staff Recommendations

- Increase activity on social media accounts.
- Continue student outreach explaining available pathways to licensure, the importance of having a license, and the Board's licensure process.
- Update [Board publications](#) as needed and distribute to target audiences.

AGENDA ITEM D.3: Increase Collaborative Student Outreach to Shape an Inclusive and Representative Licensee Population

Summary

In October, posters (attached) were distributed to California architecture schools explaining recent changes to California Code of Regulations (CCR), Title 16, sections 116 and 117, relating to paths to licensure.

Board staff were able to have direct conversations with several California Community Colleges to explain the importance of having a license, the Board's licensure process and updates, and reinforce the knowledge that there is a pathway that will work for them. These presentations were made in person and via Zoom to the staff and students of the colleges listed below:

10/23/25 – College of San Mateo, San Mateo

10/29/25 – College of the Canyons, Santa Clarita

11/12/25 – East Los Angeles College, Monterey Park

11/17/25 – Citrus College, Glendora

Upcoming Presentations:

03/05/26 – Southwestern College, Chula Vista

04/08/26 – Citrus College, Glendora

Staff will be reaching out to additional California Community Colleges that expressed interest in future presentations.

YOU CAN

Become an Architect

The most important step you can take toward becoming an architect is to start today!

Recent changes to California Code of Regulations (CCR) sections 116 and 117 help reduce delays in the licensure process and facilitate licensure for candidates who take a non-traditional pathway.

NEW!

- As of October 1, 2025, candidates may take the Architect Registration Examination (ARE) and California Supplemental Examination (CSE) without documenting either work or education experience.
- Credit for architecture related AA degrees is now two years.
- Credit for architecture related BA/BS degrees is now four years.

The Board's experience evaluation regulation, 16 CCR section 117, describes how candidates may obtain the required experience to become eligible for licensure. Visit the Board's website to learn more: CAB.ca.gov.

Architects design the environment in which we live, learn, work and play, while ensuring the public's health, safety, and welfare. The power of design can inspire, motivate and educate, as well as improve communities, the environment and quality of life for generations. Architecture is a noble calling, a pursuit of passion and an opportunity to change the world. Take the first step today and **become an architect**.
