- (a) The practice of architecture within the meaning and intent of this chapter is defined as offering or performing, or being in responsible control of, professional services which require the skills of an architect in the planning of sites, and the design, in whole or in part, of buildings, or groups of buildings and structures.
- (b) Architects' professional services may include any or all of the following:
  - (1) Investigation, evaluation, consultation, and advice.
  - (2) Planning, schematic and preliminary studies, designs, working drawings, and specifications.
  - (3) Coordination of the work of technical and special consultants.
  - (4) Compliance with generally applicable codes and regulations, and assistance in the governmental review process.
  - (5) Technical assistance in the preparation of bid documents and agreements between clients and contractors.
  - (6) Contract administration.
  - (7) Construction observation.
- (c) As a condition for licensure, architects shall demonstrate a basic level of competence in the professional services listed in subdivision (b) in examinations administered under this chapter.

#### § 5501 Chapter Defined

This chapter constitutes the chapter on professional architects. It shall be known and may be cited as the Architects Practice Act.

#### § 5502 Board Defined

As used in this chapter, board refers to the California Architects Board.

### Article 2. Administration

#### § 5510 Existence of Architects Board

There is in the Department of Consumer Affairs a California Architects Board which consists of 10 members.

Any reference in law to the California Board of Architectural Examiners shall mean the California Architects Board.

This section shall remain in effect only until January 1, 2016, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2016, deletes or extends that date. Notwithstanding any other provision of law, the repeal of this section renders the board subject to review by the appropriate policy committees of the Legislature.

**§ 5510.1 Legislature Mandate of the Board**

The Legislature finds and declares that it is the mandate of the board to regulate the practice of architecture in the interest and for the protection of the public health, safety, and welfare. For this purpose, the board shall delineate the minimum professional qualifications and performance standards for admission to and practice of the profession of architecture. The board shall establish a fair and uniform enforcement policy to deter and prosecute violations of this chapter or any rules and regulations promulgated pursuant to this chapter to provide for the protection of the consumer.

**§ 5510.15 Priority of Board; Protection of the Public**

Protection of the public shall be the highest priority for the California Architects Board in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount.

**§ 5514 Qualifications of Members**

The membership of the board shall be composed of 10 members, five of whom shall be architects and five of whom shall be public members.

The five professional members of the board shall be selected from architects in good standing who have been licensed and in practice in this state for at least five years at the time of appointment, all of whom shall be residents and in practice in California.

The public members of the board shall not be licensees of the board.

This section shall become operative on January 1, 1988.

**§ 5515 Tenure and Appointment of Board Members; Vacancies**

Every person appointed shall serve for four years and until the appointment and qualification of his or her successor or until one year shall have elapsed since the expiration of the term for which he or she was appointed, whichever first occurs.

No person shall serve as a member of the board for more than two consecutive terms.

Vacancies occurring prior to the expiration of the term shall be filled by appointment for the unexpired term.

Each appointment shall expire on June 30 of the fourth year following the year in which the previous term expired.

The Governor shall appoint three of the public members and the five licensed members qualified as provided in Section 5514. The Senate Rules Committee and the Speaker of the Assembly shall each appoint a public member.

**§ 5515.5 Board Member Terms**

- (a) Notwithstanding Section 130 or 5515, the following provisions shall apply:
  - (1) Of the three licensed members appointed by the Governor whose terms commence on July 1, 2013, the term of two members shall expire on June 30, 2017, and the term of one member shall expire on June 30, 2019.

- (2) Of the two licensed members appointed by the Governor whose terms commence on July 1, 2014, the term of one member shall expire on June 30, 2018, and the term of the other member shall expire on June 30, 2020.
  - (3) The term of the public member appointed by the Governor that commences on July 1, 2014, shall expire on June 30, 2019.
  - (4) Of the two public members appointed by the Governor whose terms commence on July 1, 2016, the term of one member shall expire on June 30, 2020, and the term of the other member shall expire on June 30, 2021.
- (b) Except as provided in subdivision (a), this section shall not be construed to affect the application of Section 130 or 5515 to the terms of a current or future member of the board.

**§ 5516 Compensation of Members; Per Diem; Expenses**

Each member of the board shall receive a per diem and expenses as provided in Section 103.

**§ 5517 Executive Officer Powers**

The board may appoint a person exempt from civil service who shall be designated as an executive officer and who shall exercise the powers and perform the duties delegated by the board and vested in him or her by this chapter.

This section shall remain in effect only until January 1, 2016, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2016, deletes or extends that date.

**§ 5518 Officers of Board**

The board shall elect from its members a president, a vice president, and a secretary to hold office for one year, or until their successors are duly elected and qualified.

**§ 5520 Seal**

The board shall adopt a seal for its own use. The seal used shall have the words, "State Board of Architectural Examiners" inscribed thereon.

The executive officer shall have the care and custody of the seal.

**§ 5521 Records**

The executive officer shall keep an accurate record of all proceedings of the board.

**§ 5522 Meetings in General**

The board shall meet at least once each calendar quarter for the purpose of transacting such business as may lawfully come before it.

The board may hold meetings at such other times and at such places as it may designate.

**§ 5523 Special Meetings**

Special meetings of the board shall be called by the executive officer upon the written notice of four members by giving each member of the board 10 days' written notice of the time and place of the meeting.

**§ 5524 Quorum: Act or Decision of Board**

Six of the members of the board constitute a quorum of the board for the transaction of business. The concurrence of five members of the board present at a

meeting duly held at which a quorum is present shall be necessary to constitute an act or decision of the board, except that when all 10 members of the board are present at a meeting duly held, the concurrence of six members shall be necessary to constitute an act or decision of the board.

**§ 5525 Prosecutions by Board; Employees**

The board may prosecute all persons guilty of violating the provisions of this chapter. Except as provided in Section 159.5, the board may employ inspectors, special agents, investigators, and such clerical assistants as it may deem necessary to carry into effect the provisions of this chapter. It may also fix the compensation to be paid for such services and incur such additional expense as may be deemed necessary.

**§ 5526 Rules and Regulations**

- (a) The board shall adopt rules and regulations governing the examination of applicants for licenses to practice architecture in this state.
- (b) The board may, by rule or regulation, adopt rules of professional conduct that are not inconsistent with state or federal law. Every person who holds a license issued by the board shall be governed and controlled by these rules.
- (c) The board may adopt other rules and regulations as may be necessary and proper.
- (d) The board may, from time to time, repeal, amend, or modify rules and regulations adopted under this section. No rule or regulation shall be inconsistent with this chapter.
- (e) The board shall adopt, by regulation, a system as described in Section 125.9 for the issuance to a licensee of a citation and a system as described in Section 148 for the issuance of an administrative citation to an unlicensed person who is acting in the capacity of a licensee or registrant under the jurisdiction of the board.
- (f) The adoption, repeal, amendment, or modification of these rules and regulations shall be made in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

**§ 5527 Injunction**

Whenever any person has engaged in or is about to engage in any act or practice which constitutes or which will constitute an offense against this chapter, the superior court of the county in which the offense has occurred or is about to occur, on application of the board, may issue an injunction or other appropriate order restraining such act or practice.

The proceedings authorized by this section shall be in accordance with the provisions contained in Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure.

**§ 5528 Consultants**

- (a) The board may select and contract with necessary architect consultants who are licensed architects to assist it in its enforcement program on an intermittent basis. The architect consultants shall perform only those services that are necessary to carry out and enforce this chapter.
- (b) For the purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code, any consultant under contract with the board shall be considered a public employee.

**Article 3. Application of Chapter**

**§ 5535 Person Defined**

As used in this chapter, the word "person" includes any individual, firm, partnership, general corporation, professional corporation, or limited liability partnership, as authorized by the Corporations Code.

**§ 5535.1 Responsible Control Defined**

The phrase "responsible control" means that amount of control over the content of all architectural instruments of service during their preparation that is ordinarily exercised by architects applying the required professional standard of care.

**§ 5535.2 Partnerships with Non-Architects**

This chapter does not prevent an architect from forming a business entity or collaborating with persons who are not architects, provided that any architects' professional services that are provided through that entity or collaboration are offered and provided under the responsible control of an architect, or architects, and in accordance with the provisions of this chapter.

**§ 5535.25 Business Entity Defined**

As used in this chapter, the terms "business entity" and "collaboration" include employer and employee relationships, joint ventures, partnerships, general corporations, and consulting relationships formed by written agreement in which the architect provides immediate and responsible direction of architectural services. For purposes of this section, "immediate and responsible direction" has the same meaning as that term is defined in Section 151 of Title 16 of the California Code of Regulations.

**§ 5535.3 Corporation Responsible Control**

This chapter does not prevent a corporation from furnishing or supplying by contract architectural services, as long as any architects' professional services are offered and provided under the responsible control of a licensed architect or architects.

**§ 5536 Practice Without License or Holding Self Out as Architect; Misdemeanor**

- (a) It is a misdemeanor, punishable by a fine of not less than one hundred dollars (\$100) nor more than five thousand dollars (\$5,000), or by imprisonment in a county jail not exceeding one year, or by both that fine and imprisonment, for any person who is not licensed to practice architecture under this chapter to practice architecture in this state, to use any term confusingly similar to the word architect, to use the stamp of a licensed architect, as provided in Section 5536.1, or to advertise or put out any sign, card, or other device that might indicate to the public that he or she is an architect, that he or she is qualified to engage in the practice of architecture, or that he or she is an architectural designer.
- (b) It is a misdemeanor, punishable as specified in subdivision (a), for any person who is not licensed to practice architecture under this chapter to affix a stamp or seal that bears the legend "State of California" or words or symbols that represent or imply that the person is so licensed by the state to prepare plans, specifications, or instruments of service.
- (c) It is a misdemeanor, punishable as specified in subdivision (a), for any person to advertise or represent that he or she is a "registered building designer" or is registered or otherwise licensed by the state as a building designer.

**§ 5536.1 Signature and Stamp on Plans and Documents; Unauthorized Practice; Misdemeanor**

- (a) All persons preparing or being in responsible control of plans, specifications, and instruments of service for others shall sign those plans, specifications, and instruments of service and all contracts therefor, and if licensed under this chapter shall affix a stamp, which complies with subdivision (b), to those plans, specifications, and instruments of service, as evidence of the person's responsibility for those documents. Failure of any person to comply with this subdivision is a misdemeanor punishable as provided in Section 5536. This section shall not apply to employees of persons licensed under this chapter while acting within the course of their employment
- (b) For the purposes of this chapter, any stamp used by any architect licensed under this chapter shall be of a design authorized by the board which shall at a minimum bear the licensee's name, his or her license number, the legend "licensed architect" and the legend "State of California," and which shall provide a means of indicating the renewal date of the license.
- (c) The preparation of plans, specifications, or instruments of service for any building, except the buildings described in Section 5537, by any person who is not licensed to practice architecture in this state, is a misdemeanor punishable as provided in Section 5536.
- (d) The board may adopt regulations necessary for the implementation of this section.

**§ 5536.2 Statement of Licensure**

Each county or city which requires the issuance of any permit as a condition precedent to the construction, alteration, improvement, or repair of any building or structure shall also require as a condition precedent to the issuance of the permit a signed statement that the person who prepared or was in responsible control of the plans and specifications for the construction, alteration, improvement, or repair of the building or structure is licensed under this chapter to prepare the plans and specifications, or is otherwise licensed in this state to prepare the plans and specifications.

The signature and stamp, as provided for in Section 5536.1, on the plans and specifications by the person who prepared or was in responsible control of the plans and specifications shall constitute compliance with this section.

It is the responsibility of the agency that issues the permit to determine that the person who signed and stamped the plans and specifications or who submitted the signed statement required by this section is licensed under this chapter or is otherwise licensed in this state to prepare the plans and specifications.

This section shall not apply to the issuance of permits where the preparation of plans and specifications for the construction, alteration, improvement, or repair of a building or structure is exempt from this chapter, except that the person preparing the plans and specifications for others shall sign the plans and specifications as provided by Section 5536.1.

**§ 5536.22 Written Contract**

- (a) An architect shall use a written contract when contracting to provide professional services to a client pursuant to this chapter. That written contract shall be executed by the architect and the client, or his or her representative, prior to the architect commencing work, unless the client knowingly states in writing that work may be commenced before the contract

is executed. The written contract shall include, but not be limited to, all of the following items:

- (1) A description of services to be provided by the architect to the client.
  - (2) A description of any basis of compensation applicable to the contract and method of payment agreed upon by both parties.
  - (3) The name, address, and license number of the architect and the name and address of the client.
  - (4) A description of the procedure that the architect and the client will use to accommodate additional services.
  - (5) A description of the procedure to be used by either party to terminate the contract.
- (b) This section shall not apply to any of the following:
- (1) Professional services rendered by an architect for which the client will not pay compensation.
  - (2) An arrangement as to the basis for compensation and manner of providing professional services implied by the fact that the architect's services are of the same general kind which the architect has previously rendered to and received payment from the same client.
  - (3) If the client knowingly states in writing after full disclosure of this section that a writing which complies with the requirements of this section is not required.
  - (4) Professional services rendered by an architect to a professional engineer registered to practice engineering under Chapter 7 (commencing with Section 6700), or to a land surveyor licensed under Chapter 15 (commencing with Section 8700).

**§ 5536.25 Liability; Damages Caused by Subsequent, Unauthorized, or Unapproved Changes or Uses of Plans, Specifications, Reports or Documents; Construction Observation Services**

- (a) A licensed architect who signs and stamps plans, specifications, reports, or documents shall not be responsible for damage caused by subsequent changes to or uses of those plans, specifications, reports, or documents, where the subsequent changes or uses, including changes or uses made by state or local governmental agencies, are not authorized or approved in writing by the licensed architect who originally signed the plans, specifications, reports, or documents, provided that the written authorization or approval was not unreasonably withheld by the architect and the architectural service rendered by the architect who signed and stamped the plans, specifications, reports, or documents was not also a proximate cause of the damage.
- (b) The signing and stamping of plans, specifications, reports, or documents which relate to the design of fixed works shall not impose a legal duty or responsibility upon the person signing the plans, specifications, reports, or documents to observe the construction of the fixed works which are the subject of the plans, specifications, reports, or documents. However, this section shall not preclude an architect and a client from entering into a contractual agreement which includes a mutually acceptable arrangement for the provision of construction observation services. This subdivision shall not modify the liability of an architect who undertakes, contractually or otherwise, the provision of construction observation services for rendering those services.
- (c) "Construction observation services" means periodic observation of completed work to determine general compliance with the plans, specifications, reports,

or other contract documents. However, "construction observation services" does not mean the superintendence of construction processes, site conditions, operations, equipment, or personnel, or the maintenance of a safe place to work or any safety in, on, or about the site.

For purposes of this subdivision, "periodic observation" means visits by an architect, or his or her agent, to the site of a work of improvement.

**§ 5536.26 Use of Certify or Certification by Licensed Architect**

The use of the words "certify" or "certification" by a licensed architect in the practice of architecture constitutes an expression of professional opinion regarding those facts or findings that are the subject of the certification, and does not constitute a warranty or guarantee, either expressed or implied. Nothing in this section is intended to alter the standard of care ordinarily exercised by a licensed architect.

**§ 5536.27 Liability; Building Inspections**

- (a) An architect who voluntarily, without compensation or expectation of compensation, provides structural inspection services at the scene of a declared national, state, or local emergency caused by a major earthquake, flood, riot, or fire at the request of a public official, public safety officer, or city or county building inspector acting in an official capacity shall not be liable in negligence for any personal injury, wrongful death, or property damage caused by the architect's good faith but negligent inspection of a structure used for human habitation or a structure owned by a public entity for structural integrity or nonstructural elements affecting life and safety.

The immunity provided by this section shall apply only for an inspection that occurs within 30 days of the declared emergency.

Nothing in this section shall provide immunity for gross negligence or willful misconduct.

- (b) As used in this section:
- (1) "Architect" has the meaning given by Section 5500.
  - (2) "Public safety officer" has the meaning given in Section 3301 of the Government Code.
  - (3) "Public official" means a state or local elected officer.

**§ 5536.3 Natural Disasters; Damage to Residential Real Property; Release of Copy of Plans**

- (a) In the event of damage to residential real property caused by a natural disaster declared by the Governor, if the damage may be covered by one or more policies of insurance, any architect or other person who has prepared plans used for the construction or remodeling of the residential real property shall release a copy of the plans to the homeowner's insurer or the homeowner, or duly authorized agent of the insurer or the homeowner, upon request and verification that the plans will be used solely for the purpose of verifying the fact and amount of damage for insurance purposes.
- (b) No homeowner or any other person shall use any copy of plans obtained pursuant to subdivision (a) to rebuild all or any part of the residential real property without the prior written consent of the architect or other person who prepared the plans.
- (c) In the event prior written consent is not provided pursuant to subdivision (b), no architect or other person who has prepared plans who releases a copy of plans pursuant to subdivision (a) shall be liable to any person if the plans are

subsequently used by the homeowner or any other person to rebuild all or any part of the residential real property.

- (d) The architect or other person may charge a reasonable fee to cover the reproduction costs of providing a copy of the plans.
- (e) As used in this section, "residential real property" means a single family structure, whether or not owner-occupied.

**§ 5536.4 Instruments of Service-Consent**

- (a) No person may use an architect's instruments of service, as those professional services are described in paragraph (2) of subdivision (b) of Section 5500.1, without the consent of the architect in a written contract, written agreement, or written license specifically authorizing that use.
- (b) An architect shall not unreasonably withhold consent to use his or her instruments of service from a person for whom the architect provided the services. An architect may reasonably withhold consent to use the instruments of service for cause, including, but not limited to, lack of full payment for services provided or failure to fulfill the conditions of a written contract.

**§ 5536.5 State of Emergency; Practice Without License or Holding Self Out as Architect; Penalty**

Any person who violates subdivision (a) of Section 5536 in connection with the offer or performance of architectural services for the repair of damage to a residential or nonresidential structure caused by a natural disaster for which a state of emergency is proclaimed by the Governor pursuant to Section 8625 of the Government Code, or for which an emergency or major disaster is declared by the President of the United States, shall be punished by a fine up to ten thousand dollars (\$10,000), or by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code for 16 months, or for two or three years, or by both the fine and imprisonment, or by a fine up to one thousand dollars (\$1,000), or by imprisonment in a county jail not exceeding one year, or by both the fine and imprisonment.

**§ 5537 Exemptions; Dwellings, Garages, Agricultural and Ranch Buildings; Supervision of Licensed Architect or Registered Engineer Required**

- (a) This chapter does not prohibit any person from preparing plans, drawings, or specifications for any of the following:
  - (1) Single-family dwellings of woodframe construction not more than two stories and basement in height.
  - (2) Multiple dwellings containing no more than four dwelling units of woodframe construction not more than two stories and basement in height. However, this paragraph shall not be construed as allowing an unlicensed person to design multiple clusters of up to four dwelling units each to form apartment or condominium complexes where the total exceeds four units on any lawfully divided lot.
  - (3) Garages or other structures appurtenant to buildings described under subdivision (a), of woodframe construction not more than two stories and basement in height.
  - (4) Agricultural and ranch buildings of woodframe construction, unless the building official having jurisdiction deems that an undue risk to the public health, safety, or welfare is involved.
- (b) If any portion of any structure exempted by this section deviates from substantial compliance with conventional framing requirements for woodframe construction found in the most recent edition of Title 24 of the

California Code of Regulations or tables of limitation for woodframe construction, as defined by the applicable building code duly adopted by the local jurisdiction or the state, the building official having jurisdiction shall require the preparation of plans, drawings, specifications, or calculations for that portion by, or under the responsible control of, a licensed architect or registered engineer. The documents for that portion shall bear the stamp and signature of the licensee who is responsible for their preparation. Substantial compliance for purposes of this section is not intended to restrict the ability of the building officials to approve plans pursuant to existing law and is only intended to clarify the intent of Chapter 405 of the Statutes of 1985.

**§ 5537.1 Exemptions; Structural Engineer**

A structural engineer, defined as a registered civil engineer who has been authorized to use the title structural engineer under the provisions of Chapter 7 (commencing with Section 6700), insofar as he or she practices the profession for which he or she is registered, is exempt from the provisions of this chapter, except that a structural engineer may not use the title "architect," unless he or she holds a license as required in this chapter.

**§ 5537.2 Exemptions; Contractors**

This chapter shall not be construed as authorizing a licensed contractor to perform design services beyond those described in Section 5537 or in Chapter 9 (commencing with Section 7000), unless those services are performed by or under the direct supervision of a person licensed to practice architecture under this chapter, or a professional or civil engineer licensed pursuant to Chapter 7 (commencing with Section 6700) of Division 3, insofar as the professional or civil engineer practices the profession for which he or she is registered under that chapter.

However, this section does not prohibit a licensed contractor from performing any of the services permitted by Chapter 9 (commencing with Section 7000) of Division 3 within the classification for which the license is issued. Those services may include the preparation of shop and field drawings for work which he or she has contracted or offered to perform, and designing systems and facilities which are necessary to the completion of contracting services which he or she has contracted or offered to perform.

However, a licensed contractor may not use the title "architect," unless he or she holds a license as required in this chapter.

**§ 5537.4 Exemptions; Professional Engineer**

A professional engineer registered to practice engineering under the provisions of Chapter 7 (commencing with Section 6700), insofar as he or she practices the profession for which he or she is registered, is exempt from the provisions of this chapter, except that a professional engineer may not use the title "architect," unless he or she holds a license as required in this chapter.

**§ 5537.5 Exemptions; Civil Engineer**

A civil engineer authorized to use that title under the provisions of Chapter 7 (commencing with Section 6700), insofar as he or she practices the profession for which he or she is registered, is exempt from the provisions of this chapter, except that a civil engineer may not use the title "architect," unless he or she holds a license as required in this chapter.

**§ 5537.6 Exemptions; Landscape Architect**

A landscape architect registered under the provisions of Chapter 3.5 (commencing with Section 5615), insofar as he or she practices the profession for which he or she is

registered, is exempt from the provisions of this chapter, except that a landscape architect may not use the title "architect," exclusive of the word "landscape," unless he or she holds a license as required in this chapter.

**§ 5537.7 Exemptions; Land Surveyor**

A land surveyor licensed under the provisions of Chapter 15 (commencing with Section 8700) of Division 3, insofar as he or she practices the profession for which he or she is licensed under Chapter 15 of Division 3, is exempt from the provisions of this chapter, except that a land surveyor may not use the title "architect," unless he or she holds a license as required in this chapter.

**§ 5538 Planning or Design Affecting Safety of Building or Its Occupants; Nonstructural Store Front or Interior Alterations or Additions Excepted**

The board shall include questions regarding exterior and interior barrier free design as part of the examination. Those questions shall periodically be reviewed by the board in order to ensure that the examination reflects current regulations and the latest developments in barrier free design.

**§ 5550.3 Grading of Examinations; Delegation of Authority**

- (a) Notwithstanding Section 111, the board may adopt guidelines for the delegation of its authority to grade the examinations of applicants for licensure to any vendor under contract to the board for provision of an architect's registration examination. The guidelines shall be within the

  - (2) Procedures through which the board can reasonably assure itself that the vendor adequately meets the goals established by the board.
- (b) The board shall not delegate its authority to grade the examinations of candidates for registration in this state to any vendor or any party not in compliance with Section 111 or with the guidelines established in subdivision (a).

**§ 5550.5 Social Security Number Exemption**

Notwithstanding Section 30 of this code or Section 17520 of the Family Code, the board may accept for processing an application from an individual for an original or renewed license to practice architecture containing an individual tax identification number, or other appropriate identification number as determined by the board, in lieu of a social security number, if the individual is not eligible for a social security account number at the time of application and is not in noncompliance with a judgment or order for support pursuant to Section 17520 of the Family Code.

**§ 5552.5 Implementation of Intern Development Program**

The board may, by regulation, implement an intern development program.

**§ 5553 Denial of License; Grounds; Conduct of Proceedings**

Issuance of a license may be denied if evidence is received by the board of the commission or doing by the applicant of any act which, if committed or done by the holder of a license, would be grounds for the suspension or revocation of that license. **§ 5561 Time for Processing**

All accusations against licensees charging the holder of a license issued under this chapter with the commission of any act constituting a cause for disciplinary action shall be filed with the board within five years after the board discovers, or through the use of reasonable diligence should have discovered, the act or omission alleged as the ground for disciplinary action, whichever occurs first, but not more than 10 years after the act or omission alleged as the ground for disciplinary action. However, with respect to an accusation alleging a violation of Section 5579, the accusation may be filed within three years after the discovery by the board of the alleged facts constituting the fraud or misrepresentation prohibited by Section 5579.

**§ 5561.5 Powers and Proceedings**

The proceedings for the suspension or revocation of licenses under this article shall be conducted in accordance with the provisions of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the board shall have all the powers granted therein.

**§ 5565 Extent of Discipline; Conditions**

The decision may:

- (a) Provide for the immediate complete suspension by the holder of the license of all operations as an architect during the period fixed by the decision.
- (b) Permit the holder of the license to complete any or all contracts for the performance of architectural services shown by evidence taken at the hearing to be then unfinished.
- (c) Impose upon the holder of the license compliance with any specific conditions as may be just in connection with his or her operations as an

architect disclosed at the hearing, and may further provide that until those conditions are complied with no application for restoration of the suspended or revoked license shall be accepted by the board.

- (d) Assess a fine not in excess of five thousand dollars (\$5,000) against the holder of a license for any of the causes specified in Section 5577. A fine may be assessed in lieu of, or in addition to, a suspension or revocation. All fines collected pursuant to this subdivision shall be deposited to the credit of the California Architects Board Fund.

**§ 5570      Review of Board by Court; Stay**

In any proceeding for review by a court, the court may, in its discretion, upon the filing of a proper bond by the holder of the license in an amount to be fixed by the court, guaranteeing the compliance by the holder of the license with specific conditions imposed upon him or her by the board's decision, if any, permit the holder of the license to continue to practice as an architect pending entry of judgment by the court in the case. There shall be no stay of the board's decision pending an appeal or review of any proceeding unless the appellant or applicant for review shall file a bond in all respects conditioned as, and similar to, the bond required to stay the effect of the board's decision in the first instance.

**§ 5571      Review of Superior Court**

A judgment of suspension or cancellation of a certificate by the superior court shall be subject to appeal or review in accordance with the provisions of law as to appeal from or review of judgments of superior courts.

A license which has been suspended is subject to expiration and shall be renewed as provided in this chapter, but that renewal does not entitle the holder of the license, while the license remains suspended and until it is reinstated, to practice architecture, or to engage in any other activity or conduct in violation of the order or judgment by which the license was suspended.

A revoked license is subject to expiration as provided in this chapter, but it may not be renewed. If it is reinstated after its expiration, the holder of the license, as a condition precedent to its reinstatement, shall pay a reinstatement fee in an amount equal to the renewal fee in effect on the last regular renewal date before the date on which it is reinstated, plus the delinquency fee, if any, accrued at the time of its revocation.

**§ 5577      Conviction of Certain Crimes; Record; Evidence; Procedure**

The conviction of a crime substantially related to the qualifications, functions, and duties of an architect by the holder of a license constitutes a ground for disciplinary

A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this section. The board may order the license suspended or revoked, or may decline to issue a license, when the time for appeal has elapsed, the judgment of conviction has been affirmed on appeal, or an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

- (e) Any licensee who fails to comply with this section may be subject to a civil penalty of not less than one hundred dollars (\$100) and not more than one thousand dollars (\$1,000) as an additional intermediate sanction imposed by the board in lieu of revoking the licensee's license. For a candidate whose application is submitted on or after July 1, 1999 and who has been determined to be eligible, such eligibility shall be retained while the candidate is active in the examination process. Test Application Forms shall be accepted on a continuous basis throughout the year.

A class “C” violation is subject to an administrative fine in an amount not less than two hundred and fifty dollars (\$250) and not exceeding one thousand dollars (\$1,000) for each and every violation.
- (d) In assessing the amount of an administrative fine, the executive officer shall consider the following criteria:

At the conclusion of the informal conference, the executive officer may affirm, modify or dismiss the citation, including any fine levied, order of abatement or order of correction issued. The executive officer shall state in writing the reasons for his or her action and transmit a copy of his or her findings and decision to the cited person.

Unless an administrative hearing as provided for in subdivision (b)(4) of section 125.9 of the code was requested in a timely manner, an informal conference decision which affirms the citation shall be deemed to be a final order with regard to the citation issued, including the fine levied and the order of abatement or order of correction.

- (c) If the citation, including any fine levied or order of abatement or correction, is modified, the citation originally issued shall be considered withdrawn and a new citation issued. If the cited person desires a hearing to contest the new citation, he or she shall make a request in writing, within thirty (30) days of receipt of the informal conference decision, to the executive officer. The hearing shall be conducted as provided for in subdivision (b)(4) of section 125.9 of the code.

The boards, bureaus, and commissions in the department are established for the purpose of ensuring that those private businesses and professions deemed to engage in activities which have potential impact upon the public health, safety, and welfare are adequately regulated in order to protect the people of California.

To this end, they establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards. They provide a means for redress of grievances by investigating allegations of unprofessional conduct, incompetence, fraudulent action, or unlawful activity brought to their attention by members of the public and institute disciplinary action against persons licensed or registered under the provisions of this code when such action is warranted. In addition, they conduct periodic checks of licensees, registrants, or otherwise certified persons in order to ensure compliance with the relevant sections of this code.

Any agency that requires the approval of the director for the compilation, publication, or distribution of a directory, under the law in effect at the time the amendment made to this section at the 1970 Regular Session of the Legislature becomes effective, shall continue to require that approval. As used in this section, "directory" means a directory, roster, register, or similar compilation of the names of persons who hold a license, certificate, permit, registration, or similar indicia of authority from the agency.

- (b) In the case of a disciplined licentiate that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.
- (c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

- (d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

- (j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.
- (k) Notwithstanding the provisions of this section, the Medical Board of California shall not request nor obtain from a physician and surgeon, investigation and prosecution costs for a disciplinary proceeding against the licentiate. **§ 125.5      Injunction; Restitution; Reimbursement of Expenses Incurred by Board**

- (a) The superior court for the county in which any person has engaged or is about to engage in any act which constitutes a violation of a chapter of this code administered or enforced by a board within the department may, upon a petition filed by the board with the approval of the director, issue an injunction or other appropriate order restraining such conduct. - (d) The remedy provided for by this section shall be in addition to, and not a limitation on, the authority provided for in any other section of this code.

**§ 125.6      Discrimination-Physically Handicapped**

- (a) (1) With regard to an applicant, every person who holds a license under the provisions of this code is subject to disciplinary action under the disciplinary provisions of this code applicable to that person if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, he or she refuses to perform the licensed activity or aids or incites the refusal to perform that licensed activity by another licensee, or if, because of any characteristic listed or defined in subdivision (b) or (e) of Section 51 of the Civil Code, he or she makes any discrimination, or restriction in the performance of the licensed activity.
- (2) Nothing in this section shall be interpreted to prevent a physician or health care professional licensed pursuant to Division 2 (commencing with Section 500) from considering any of the characteristics of a patient listed in subdivision (b) or (e) of Section 51 of the Civil Code if that consideration is medically necessary and for the sole purpose of determining the appropriate diagnosis or treatment of the patient.
- (3) Nothing in this section shall be interpreted to apply to discrimination by employers with regard to employees or prospective employees, nor shall this section authorize action against any club license issued pursuant to Article 4 (commencing with Section 23425) of Chapter 3 of Division 9 because of discriminatory membership policy.
- (4) The presence of architectural barriers to an individual with physical disabilities that conform to applicable state or local building codes and regulations shall not constitute discrimination under this section.
- (b) (1) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to permit an individual to participate in, or benefit from, the licensed activity of the licensee where that individual poses a direct threat to the health or safety of others. For this purpose, the term "direct threat" means a significant risk to the health or safety of others that cannot be eliminated by a modification of policies, practices, or procedures or by the provision of auxiliary aids and services.
- (2) Nothing in this section requires a person licensed pursuant to Division 2 (commencing with Section 500) to perform a licensed activity for which he or she is not qualified to perform.
- (c) (1) "Applicant," as used in this section, means a person applying for licensed services provided by a person licensed under this code.

- (2) "License," as used in this section, includes "certificate," "permit," "authority," and "registration" or any other indicia giving authorization to engage in a business or profession regulated by this code.

**§ 125.9 System for Issuance of Citation to a Licensee**

- (a) Except with respect to persons regulated under Chapter 11 (commencing with Section 7500), any board, bureau, or commission within the department, the board created by the Chiropractic Initiative Act, and the Osteopathic Medical Board of California, may establish, by regulation, a system for the issuance to a licensee of a citation which may contain an order of abatement or an order to pay an administrative fine assessed by the board, bureau, or commission where the licensee is in violation of the applicable licensing act or any regulation adopted pursuant thereto.
- (b) The system shall contain the following provisions:
  - (1) Citations shall be in writing and shall describe with particularity the nature of the violation, including specific reference to the provision of law determined to have been violated.
  - (2) Whenever appropriate, the citation shall contain an order of abatement fixing a reasonable time for abatement of the violation.
  - (3) In no event shall the administrative fine assessed by the board, bureau, or commission exceed five thousand dollars (\$5,000) for each inspection or each investigation made with respect to the violation, or five thousand dollars (\$5,000) for each violation or count if the violation involves fraudulent billing submitted to an insurance company, the Medi-Cal program, or Medicare. In assessing a fine, the board, bureau, or commission shall give due consideration to the appropriateness of the amount of the fine with respect to factors such as the gravity of the violation, the good faith of the licensee, and the history of previous violations.
  - (4) A citation or fine assessment issued pursuant to a citation shall inform the licensee that if he or she desires a hearing to contest the finding of a violation, that hearing shall be requested by written notice to the board, bureau, or commission within 30 days of the date of issuance of the citation or assessment. If a hearing is not requested pursuant to this section, payment of any fine shall not constitute an admission of the violation charged. Hearings shall be held pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.
  - (5) Failure of a licensee to pay a fine within 30 days of the date of assessment, unless the citation is being appealed, may result in disciplinary action being taken by the board, bureau, or commission. Where a citation is not contested and a fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without payment of the renewal fee and fine.
- (c) The system may contain the following provisions:
  - (1) A citation may be issued without the assessment of an administrative fine.
  - (2) Assessment of administrative fines may be limited to only particular violations of the applicable licensing act.
- (d) Notwithstanding any other provision of law, if a fine is paid to satisfy an assessment based on the finding of a violation, payment of the fine shall be

represented as satisfactory resolution of the matter for purposes of public disclosure.

- (e) Administrative fines collected pursuant to this section shall be deposited in the special fund of the particular board, bureau, or commission.

**§ 128 Unlawful Sale of Equipment, Supplies, and Services**

Notwithstanding any other provision of law, it is a misdemeanor to sell equipment, supplies, or services to any person with knowledge that the equipment, supplies, or services are to be used in the performance of a service or contract in violation of the licensing requirements of this code.

The provisions of this section shall not be applicable to cash sales of less than one hundred dollars (\$100).

For the purposes of this section, "person" includes, but is not limited to, a company, partnership, limited liability company, firm, or corporation.

For the purposes of this section, "license" includes certificate or registration.

**§ 128.5 Unencumbered Funds; Reduction of Fees**

- (a) Notwithstanding any other provision of law, if at the end of any fiscal year, an agency within the Department of Consumer Affairs, except the agencies referred to in subdivision (b), has unencumbered funds in an amount that equals or is more than the agency's operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency's operating budget for the next two fiscal years.
- (b) Notwithstanding any other provision of law, if at the end of any fiscal year, the California Architects Board, the Board of Behavioral Sciences, the Veterinary Medical Board, the Court Reporters Board of California, the Medical Board of California, the Board of Vocational Nursing and Psychiatric Technicians, or the Bureau of Security and Investigative Services has unencumbered funds in an amount that equals or is more than the agency's operating budget for the next two fiscal years, the agency shall reduce license or other fees, whether the license or other fees be fixed by statute or may be determined by the agency within limits fixed by statute, during the following fiscal year in an amount that will reduce any surplus funds of the agency to an amount less than the agency's operating budget for the next two fiscal years.

**§ 129 Complaint Procedure-Notification of Complainant and Licentiate**

- (a) As used in this section, "board" means every board, bureau, commission, committee and similarly constituted agency in the department which issues licenses.
- (b) Each board shall, upon receipt of any complaint respecting a licentiate thereof, notify the complainant of the initial administrative action taken on his complaint within 10 days of receipt. Each board shall thereafter notify the complainant of the final action taken on his complaint. There shall be a notification made in every case in which the complainant is known. If the complaint is not within the jurisdiction of the board or if the board is unable to dispose satisfactorily of the complaint, the board shall transmit the

complaint together with any evidence or information it has concerning the complaint to the agency, public or private, whose authority in the opinion of the board will provide the most effective means to secure the relief sought. The board shall notify the complainant of such action and of any other means which may be available to the complainant to secure relief.

- (c) The board shall, when the board deems it appropriate, notify the person against whom the complaint is made of the nature of the complaint, may request appropriate relief for the complainant, and may meet and confer with the complainant and the licentiate in order to mediate the complaint. Nothing in this subdivision shall be construed as authorizing or requiring any board to set or to modify any fee charged by a licentiate.
- (d) It shall be the continuing duty of the board to ascertain patterns of complaints and to report on all actions taken with respect to such patterns of complaints to the director and to the Legislature at least once a year. The board shall evaluate those complaints dismissed for lack of jurisdiction or no violation and recommend to the director and to the Legislature at least once a year such statutory changes as it deems necessary to implement the board's functions and responsibilities under this section.
- (e) It shall be the continuing duty of the board to take whatever action it deems necessary, with the approval of the director, to inform the public of its functions under this section.

**§ 135 Re-Examination After Failure**

No agency in the department shall, on the basis of an applicant's failure to successfully complete prior examinations, impose any additional limitations, restrictions, prerequisites, or requirements on any applicant who wishes to participate in subsequent examinations except that any examining agency which allows an applicant conditional credit for successfully completing a divisible part of an examination may require that an applicant be reexamined in those parts successfully completed if such applicant has not successfully completed all parts of the examination within a required period of time established by the examining agency. Nothing in this section, however, requires the exemption of such applicant from the regular fees and requirements normally associated with examinations.

**§ 136 Address Change-Notice Required**

- (a) Each person holding a license, certificate, registration, permit, or other authority to engage in a profession or occupation issued by a board within the department shall notify the issuing board at its principal office of any change in his or her mailing address within 30 days after the change, unless the board has specified by regulations a shorter time period.
- (b) Except as otherwise provided by law, failure of a licentiate to comply with the requirement in subdivision (a) constitutes grounds for the issuance of a citation and administrative fine, if the board has the authority to issue citations and administrative fines.

**§ 137 Advertising by License-Inclusion of License Numbers, Exemptions**

Any agency within the department may promulgate regulations requiring licensees to include their license numbers in any advertising, soliciting, or other presentments to the public.

However, nothing in this section shall be construed to authorize regulation of any person not a licensee who engages in advertising, solicitation, or who makes any other presentment to the public on behalf of a licensee. Such a person shall incur no liability pursuant to this section for communicating in any advertising, soliciting, or other presentment to the public a licensee's license number exactly as provided to him by the

licensee or for failure to communicate such number if none is provided to him by the licensee.

**§ 138 Requirement that Licentiatees Provide Notice of Licensing to Clients or Customers; Regulations; Periodic Evaluation of Licensing Examination**

Every board in the department, as defined in Section 22, shall initiate the process of adopting regulations on or before June 30, 1999, to require its licentiatees, as defined in Section 23.8, to provide notice to their clients or customers that the practitioner is licensed by this state. A board shall be exempt from the requirement to adopt regulations pursuant to this section if the board has in place, in statute or regulation, a requirement that provides for consumer notice of a practitioner's status as a licensee of this state.

**§ 139 Examination Development, Validation, and Occupational Analysis Policy**

- (a) The Legislature finds and declares that occupational analyses and examination validation studies are fundamental components of licensure programs. It is the intent of the Legislature that the policy developed by the department pursuant to subdivision (b) be used by the fiscal, policy, and sunset review committees of the Legislature in their annual reviews of these boards, programs, and bureaus.
- (b) Notwithstanding any other provision of law, the department shall develop, in consultation with the boards, programs, bureaus, and divisions under its jurisdiction, and the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners, a policy regarding examination development and validation, and occupational analysis. The department shall finalize and distribute this policy by September 30, 1999, to each of the boards, programs, bureaus, and divisions under its jurisdiction and to the Osteopathic Medical Board of California and the State Board of Chiropractic Examiners. This policy shall be submitted in draft form at least 30 days prior to that date to the appropriate fiscal, policy, and sunset review committees of the Legislature for review. This policy shall address, but shall not be limited to, the following issues:
  - (1) An appropriate schedule for examination validation and occupational analyses, and circumstances under which more frequent reviews are appropriate.
  - (2) Minimum requirements for psychometrically sound examination validation, examination development, and occupational analyses, including standards for sufficient number of test items.
  - (3) Standards for review of state and national examinations.
  - (4) Setting of passing standards.
  - (5) Appropriate funding sources for examination validations and occupational analyses.
  - (6) Conditions under which boards, programs, and bureaus should use internal and external entities to conduct these reviews.
  - (7) Standards for determining appropriate costs of reviews of different types of examinations, measured in terms of hours required.
  - (8) Conditions under which it is appropriate to fund permanent and limited term positions within a board, program, or bureau to manage these reviews.
- (c) Every regulatory board and bureau, as defined in Section 22, and every program and bureau administered by the department, the Osteopathic Medical

Board of California, and the State Board of Chiropractic Examiners, shall submit to the director on or before December 1, 1999, and on or before December 1 of each subsequent year, its method for ensuring that every licensing examination administered by or pursuant to contract with the board is subject to periodic evaluation. The evaluation shall include (1) a description of the occupational analysis serving as the basis for the examination; (2) sufficient item analysis data to permit a psychometric evaluation of the items; (3) an assessment of the appropriateness of prerequisites for admittance to the examination; and (4) an estimate of the costs and personnel required to perform these functions. The evaluation shall be revised and a new evaluation submitted to the director whenever, in the judgment of the board, program, or bureau, there is a substantial change in the examination or the prerequisites for admittance to the examination.

- (d) The evaluation may be conducted by the board, program, or bureau, the Office of Professional Examination Services of the department, the Osteopathic Medical Board of California, or the State Board of Chiropractic Examiners or pursuant to a contract with a qualified private testing firm. A board, program, or bureau that provides for development or administration of a licensing examination pursuant to contract with a public or private entity may rely on an occupational analysis or item analysis conducted by that entity. The department shall compile this information, along with a schedule specifying when examination validations and occupational analyses shall be performed, and submit it to the appropriate fiscal, policy, and sunset review committees of the Legislature by September 30 of each year. It is the intent of the Legislature that the method specified in this report be consistent with the policy developed by the department pursuant to subdivision (b).

**§ 140 Failure to Record and Preserve Cash Transactions Involving Wages; Disciplinary Action; Costs**

Any board, as defined in Section 22, which is authorized under this code to take disciplinary action against a person who holds a license may take disciplinary action upon the ground that the licensee has failed to record and preserve for not less than three years, any and all cash transactions involved in the payment of employee wages by a licensee. Failure to make these records available to an authorized representative of the board may be made grounds for disciplinary action. In any action brought and sustained by the board which involves a violation of this section and any regulation adopted thereto, the board may assess the licensee with the actual investigative costs incurred, not to exceed two thousand five hundred dollars (\$2,500). Failure to pay those costs may result in revocation of the license. Any moneys collected pursuant to this section shall be deposited in the respective fund of the board.

**§ 141 Effect of Disciplinary Action Taken by Another State or the Federal Government**

- (a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.
- (b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the

licensee by another state, an agency of the federal government, or another country.

**§ 143 Suit for Collection of Compensation-License Prerequisite**

- (a) No person engaged in any business or profession for which a license is required under this code governing the department or any board, bureau, commission, committee, or program within the department, may bring or maintain any action, or recover in law or equity in any action, in any court of this state for the collection of compensation for the performance of any act or contract for which a license is required without alleging and proving that he or she was duly licensed at all times during the performance of that act or contract, regardless of the merits of the cause of action brought by the person.
- (b) The judicial doctrine of substantial compliance shall not apply to this section.
- (c) This section shall not apply to an act or contract that is considered to qualify as lawful practice of a licensed occupation or profession pursuant to Section 121.

**§ 143.5 Provision Prohibited in Settlement Agreements; Adoption of Regulations; Exemptions**

- (a) No licensee who is regulated by a board, bureau, or program within the Department of Consumer Affairs, nor an entity or person acting as an authorized agent of a licensee, shall include or permit to be included a provision in an agreement to settle a civil dispute, whether the agreement is made before or after the commencement of a civil action, that prohibits the other party in that dispute from contacting, filing a complaint with, or cooperating with the department, board, bureau, or program within the Department of Consumer Affairs that regulates the licensee or that requires the other party to withdraw a complaint from the department, board, bureau, or program within the Department of Consumer Affairs that regulates the licensee. A provision of that nature is void as against public policy, and any licensee who includes or permits to be included a provision of that nature in a settlement agreement is subject to disciplinary action by the board, bureau, or program.
- (b) Any board, bureau, or program within the Department of Consumer Affairs that takes disciplinary action against a licensee or licensees based on a complaint or report that has also been the subject of a civil action and that has been settled for monetary damages providing for full and final satisfaction of the parties may not require its licensee or licensees to pay any additional sums to the benefit of any plaintiff in the civil action.
- (c) As used in this section, “board” shall have the same meaning as defined in Section 22, and “licensee” means a person who has been granted a license, as that term is defined in Section 23.7.
- (d) Notwithstanding any other law, upon granting a petition filed by a licensee or authorized agent of a licensee pursuant to Section 11340.6 of the Government Code, a board, bureau, or program within the Department of Consumer Affairs may, based upon evidence and legal authorities cited in the petition, adopt a regulation that does both of the following:
  - (1) Identifies a code section or jury instruction in a civil cause of action that has no relevance to the board’s, bureau’s, or program’s enforcement responsibilities such that an agreement to settle such a cause of action based on that code section or jury instruction otherwise prohibited under subdivision (a) will not impair the board’s, bureau’s, or program’s duty to protect the public.

(2) Exempts agreements to settle such a cause of action from the requirements of subdivision (a).

(e) This section shall not apply to a licensee subject to Section 2220.7.

**§ 145      Unlicensed Activity-Criminal, Civil Sanctions, Fines**

The Legislature finds and declares that:

(a) Unlicensed activity in the professions and vocations regulated by the Department of Consumer Affairs is a threat to the health, welfare, and safety of the people of the State of California.

(b) The law enforcement agencies of the state should have sufficient, effective, and responsible means available to enforce the licensing laws of the state.

The administrative citation system authorized by this section shall meet the requirements of Section 125.9 and may not be applied to an unlicensed person who is otherwise exempted from the provisions of the applicable licensing act. (1) Cease the unlawful advertising.

(2) Notify the telephone company furnishing services to the violator to disconnect the telephone service furnished to any telephone number contained in the unlawful advertising.

- (b) This action is stayed if the person to whom a citation is issued under subdivision (a) notifies the agency in writing that he or she intends to contest the citation. The agency shall afford an opportunity for a hearing, as specified in Section 125.9.
- (c) If the person to whom a citation and order of correction is issued under subdivision (a) fails to comply with the order of correction after that order is final, the agency shall inform the Public Utilities Commission of the violation and the Public Utilities Commission shall require the telephone corporation furnishing services to that person to disconnect the telephone service furnished to any telephone number contained in the unlawful advertising.
- (d) The good faith compliance by a telephone corporation with an order of the Public Utilities Commission to terminate service issued pursuant to this section shall constitute a complete defense to any civil or criminal action brought against the telephone corporation arising from the termination of service.

- (b) The inspection or investigation of licentiates, the manner or method of practice or doing business, or their place of practice or business.

Nothing in this section shall be construed as precluding a public member or a lay member from participating in the formation of policy relating to the scope of the activities set forth in subdivisions (a) and (b) or in the approval, disapproval or modification of the action of its individual members, nor preclude such member from participating as a member of a subcommittee consisting of more than one member of the board in the performance of any duty.

- (1) This subdivision shall not be construed to prohibit the enforcement of a local ordinance in effect prior to January 1, 2010, related to any act or procedure that falls within the professionally recognized scope of practice of a healing arts professional licensed under Division 2 (commencing with Section 500).
  - (2) This subdivision shall not be construed to prevent a city, county, or city and county from adopting or enforcing any local ordinance governing zoning, business licensing, or reasonable health and safety requirements for establishments or businesses of a healing arts professional licensed under Division 2 (commencing with Section 500).
- (c) Nothing in this section shall prohibit any city, county, or city and county from levying a business license tax solely for revenue purposes, nor any city or county from levying a license tax solely for the purpose of covering the cost of regulation.

**Division 1.5. Denial, Suspension and Revocation of Licenses**

**§ 475      Grounds of Denial of License**

  - (3) Commission of any act involving dishonesty, fraud or deceit with the intent to substantially benefit himself or another, or substantially injure another.
  - (4) Commission of any act which, if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.
- (b) Notwithstanding any other provisions of this code, the provisions of this division shall govern the suspension and revocation of licenses on grounds specified in paragraphs (1) and (2) of subdivision (a).
- (c) A license shall not be denied, suspended, or revoked on the grounds of a lack of good moral character or any similar ground relating to an applicant's character, reputation, personality, or habits.

**§ 480      Applicant's Grounds for Denial**

- (a) A board may deny a license regulated by this code on the grounds that the applicant has one of the following:
- (1) Been convicted of a crime. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.
  - (2) Done any act involving dishonesty, fraud or deceit with the intent to substantially benefit himself or herself or another, or substantially injure another.
  - (3) (A) Done any act that if done by a licentiate of the business or profession in question, would be grounds for suspension or revocation of license.

- (B) The board may deny a license pursuant to this subdivision only if the crime or act is substantially related to the qualifications, functions, or duties of the business or profession for which application is made.
- (b) Notwithstanding any other provision of this code, no person shall be denied a license solely on the basis that he or she has been convicted of a felony if he or she has obtained a certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate the rehabilitation of a person when considering the denial of a license under subdivision (a) of Section 482.
- (c) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact required to be revealed in the application for the license.

**§ 485 Denial Procedure**

Upon denial of an application for a license under this chapter or Section 496, the board shall do either of the following:

- (a) File and serve a statement of issues in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.
- (b) Notify the applicant that the application is denied, stating (1) the reason for the denial, and (2) that the applicant has the right to a hearing under Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code if written request for hearing is made within 60 days after service of the notice of denial. Unless written request for hearing is made within the 60-day period, the applicant's right to a hearing is deemed waived.

Service of the notice of denial may be made in the manner authorized for service of summons in civil actions, or by registered mail addressed to the applicant at the latest address filed by the applicant in writing with the board in his or her application or otherwise. Service by mail is complete on the date of mailing.

**§ 486 Denial-Notice Required**

Where the board has denied an application for a license under this chapter or Section 496, it shall, in its decision, or in its notice under subdivision (b) of Section 485, inform the applicant of the following:

- (a) The earliest date on which the applicant may reapply for a license which shall be one year from the effective date of the decision, or service of the notice under subdivision (b) of Section 485, unless the board prescribes an earlier date or a later date is prescribed by another statute.
- (b) That all competent evidence of rehabilitation presented will be considered upon a reapplication.

Along with the decision, or the notice under subdivision (b) of Section 485, the board shall serve a copy of the criteria relating to rehabilitation formulated under Section 482.

**§ 487 Hearing**

If a hearing is requested by the applicant, the board shall conduct such hearing within 90 days from the date the hearing is requested unless the applicant shall request or agree in writing to a postponement or continuance of the hearing. Notwithstanding the above, the Office of Administrative Hearings may order, or on a showing of good cause, grant a request for, up to 45 additional days within which to conduct a hearing, except in cases involving alleged examination or licensing fraud, in which cases the

period may be up to 180 days. In no case shall more than two such orders be made or requests be granted.

**§ 488        Requests for Hearing**

Except as otherwise provided by law, following a hearing requested by an applicant pursuant to subdivision (b) of Section 485, the board may take any of the following actions:

- (a) Grant the license effective upon completion of all licensing requirements by the applicant.
- (b) Grant the license effective upon completion of all licensing requirements by the applicant, immediately revoke the license, stay the revocation, and impose probationary conditions on the license, which may include suspension.
- (c) Deny the license.
- (d) Take other action in relation to denying or granting the license as the board in its discretion may deem proper.

**§ 489        Denial of License for Lack of Good Character**

Any agency in the department which is authorized by law to deny an application for a license upon the grounds specified in Section 480 or 496, may without a hearing deny an application upon any of those grounds, if within one year previously, and after proceedings conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, that agency has denied an application from the same applicant upon the same ground.

**§ 490        Conviction of Crime; Suspension, Revocation-Grounds**

- (a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.
- (b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.
- (c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. An action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code.
- (d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

**§ 490.5 Noncompliance with Child Support Order or Judgment as Grounds for Suspension**

A board may suspend a license pursuant to Section 17520 of the Family Code if a licensee is not in compliance with a child support order or judgment.

- (a) Send a copy of the provisions of Section 11522 of the Government Code to the ex-licensee.
- (b) Send a copy of the criteria relating to rehabilitation formulated under Section 482 to the ex-licensee.

**§ 493 Record of Conviction Related to a Licensee's Qualifications, Functions, and Duties**

Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

As used in this section, "license" includes "certificate," "permit," "authority," and "registration."

**§ 494.5 Licensee Names Included on Certified Lists; Tax Delinquencies**

"License" excludes a vehicle registration issued pursuant to Division 3 (commencing with Section 4000) of the Vehicle Code.
  - (3) "Licensee" means an individual authorized by a license to drive a motor vehicle or authorized by a license, certificate, registration, or other authorization to engage in a profession or occupation issued by a state governmental licensing entity.

"State governmental licensing entity" shall not include the Contractors' State License Board.
- (c) The State Board of Equalization and the Franchise Tax Board shall each submit its respective certified list to every state governmental licensing entity. The certified lists shall include the name, social security number or taxpayer identification number, and the last known address of the persons identified on the certified lists.
- (d) Notwithstanding any other law, each state governmental licensing entity shall collect the social security number or the federal taxpayer identification number from all applicants for the purposes of matching the names of the certified lists provided by the State Board of Equalization and the Franchise Tax Board to applicants and licensees.
- (e) (1) Each state governmental licensing entity shall determine whether an applicant or licensee is on the most recent certified list provided by the State Board of Equalization and the Franchise Tax Board.
- (2) If an applicant or licensee is on either of the certified lists, the state governmental licensing entity shall immediately provide a preliminary notice to the applicant or licensee of the entity's intent to suspend or withhold issuance or renewal of the license. The preliminary notice shall be delivered personally or by mail to the applicant's or licensee's last known mailing address on file with the state governmental licensing entity within 30 days of receipt of the certified list. Service by mail shall be completed in accordance with Section 1013 of the Code of Civil Procedure.
- (A) The state governmental licensing entity shall issue a temporary license valid for a period of 90 days to any applicant whose name is on a certified list if the applicant is otherwise eligible for a license.
- (B) The 90-day time period for a temporary license shall not be extended. Only one temporary license shall be issued during a regular license term and the term of the temporary license shall coincide with the first 90 days of the regular license term. A license

for the full term or the remainder of the license term may be issued or renewed only upon compliance with this section.

- (C) In the event that a license is suspended or an application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the state governmental licensing entity.
- (f) (1) A state governmental licensing entity shall refuse to issue or shall suspend a license pursuant to this section no sooner than 90 days and no later than 120 days of the mailing of the preliminary notice described in paragraph (2) of subdivision (e), unless the state governmental licensing entity has received a release pursuant to subdivision (h). The procedures in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial or suspension of, or refusal to renew, a license or the issuance of a temporary license pursuant to this section.
- (2) Notwithstanding any other law, if a board, bureau, or commission listed in Section 101, other than the Contractors' State License Board, fails to take action in accordance with this section, the Department of Consumer Affairs shall issue a temporary license or suspend or refuse to issue, reactivate, reinstate, or renew a license, as appropriate.
- (g) Notices shall be developed by each state governmental licensing entity. For an applicant or licensee on the State Board of Equalization's certified list, the notice shall include the address and telephone number of the State Board of Equalization, and shall emphasize the necessity of obtaining a release from the State Board of Equalization as a condition for the issuance, renewal, or continued valid status of a license or licenses. For an applicant or licensee on the Franchise Tax Board's certified list, the notice shall include the address and telephone number of the Franchise Tax Board, and shall emphasize the necessity of obtaining a release from the Franchise Tax Board as a condition for the issuance, renewal, or continued valid status of a license or licenses.
- (1) The notice shall inform the applicant that the state governmental licensing entity shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 90 calendar days if the applicant is otherwise eligible and that upon expiration of that time period, the license will be denied unless the state governmental licensing entity has received a release from the State Board of Equalization or the Franchise Tax Board, whichever is applicable.
- (2) The notice shall inform the licensee that any license suspended under this section will remain suspended until the state governmental licensing entity receives a release along with applications and fees, if applicable, to reinstate the license.
- (3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any moneys paid by the applicant or licensee shall not be refunded by the state governmental licensing entity. A copy of this form shall be included with every notice sent pursuant to this subdivision.

- (h) If the applicant or licensee wishes to challenge the submission of his or her name on a certified list, the applicant or licensee shall make a timely written request for release to the State Board of Equalization or the Franchise Tax Board, whichever is applicable. The State Board of Equalization or the Franchise Tax Board shall immediately send a release to the appropriate state governmental licensing entity and the applicant or licensee, if any of the following conditions are met:
- (1) The applicant or licensee has complied with the tax obligation, either by payment of the unpaid taxes or entry into an installment payment agreement, as described in Section 6832 or 19008 of the Revenue and Taxation Code, to satisfy the unpaid taxes.
  - (2) The applicant or licensee has submitted a request for release not later than 45 days after the applicant's or licensee's receipt of a preliminary notice described in paragraph (2) of subdivision (e), but the State Board of Equalization or the Franchise Tax Board, whichever is applicable, will be unable to complete the release review and send notice of its findings to the applicant or licensee and state governmental licensing entity within 45 days after the State Board of Equalization's or the Franchise Tax Board's receipt of the applicant's or licensee's request for release. Whenever a release is granted under this paragraph, and, notwithstanding that release, the applicable license or licenses have been suspended erroneously, the state governmental licensing entity shall reinstate the applicable licenses with retroactive effect back to the date of the erroneous suspension and that suspension shall not be reflected on any license record.
  - (3) The applicant or licensee is unable to pay the outstanding tax obligation due to a current financial hardship. "Financial hardship" means financial hardship as determined by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, where the applicant or licensee is unable to pay any part of the outstanding liability and the applicant or licensee is unable to qualify for an installment payment arrangement as provided for by Section 6832 or Section 19008 of the Revenue and Taxation Code. In order to establish the existence of a financial hardship, the applicant or licensee shall submit any information, including information related to reasonable business and personal expenses, requested by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, for purposes of making that determination.
- (i) An applicant or licensee is required to act with diligence in responding to notices from the state governmental licensing entity and the State Board of Equalization or the Franchise Tax Board with the recognition that the temporary license will lapse or the license suspension will go into effect after 90 days and that the State Board of Equalization or the Franchise Tax Board must have time to act within that period. An applicant's or licensee's delay in acting, without good cause, which directly results in the inability of the State Board of Equalization or the Franchise Tax Board, whichever is applicable, to complete a review of the applicant's or licensee's request for release shall not constitute the diligence required under this section which would justify the issuance of a release. An applicant or licensee shall have the burden of establishing that he or she diligently responded to notices from the state governmental licensing entity or the State Board of Equalization or the Franchise Tax Board and that any delay was not without good cause.

- (j) The State Board of Equalization or the Franchise Tax Board shall create release forms for use pursuant to this section. When the applicant or licensee has complied with the tax obligation by payment of the unpaid taxes, or entry into an installment payment agreement, or establishing the existence of a current financial hardship as defined in paragraph (3) of subdivision (h), the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall mail a release form to the applicant or licensee and provide a release to the appropriate state governmental licensing entity. Any state governmental licensing entity that has received a release from the State Board of Equalization and the Franchise Tax Board pursuant to this subdivision shall process the release within five business days of its receipt. If the State Board of Equalization or the Franchise Tax Board determines subsequent to the issuance of a release that the licensee has not complied with their installment payment agreement, the State Board of Equalization or the Franchise Tax Board, whichever is applicable, shall notify the state governmental licensing entity and the licensee in a format prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee is not in compliance and the release shall be rescinded. The State Board of Equalization and the Franchise Tax Board may, when it is economically feasible for the state governmental licensing entity to develop an automated process for complying with this subdivision, notify the state governmental licensing entity in a manner prescribed by the State Board of Equalization or the Franchise Tax Board, whichever is applicable, that the licensee has not complied with the installment payment agreement. Upon receipt of this notice, the state governmental licensing entity shall immediately notify the licensee on a form prescribed by the state governmental licensing entity that the licensee's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The licensee shall be further notified that the license will remain suspended until a new release is issued in accordance with this subdivision.
- (k) The State Board of Equalization and the Franchise Tax Board may enter into interagency agreements with the state governmental licensing entities necessary to implement this section.
- (l) Notwithstanding any other law, a state governmental licensing entity, with the approval of the appropriate department director or governing body, may impose a fee on a licensee whose license has been suspended pursuant to this section. The fee shall not exceed the amount necessary for the state governmental licensing entity to cover its costs in carrying out the provisions of this section. Fees imposed pursuant to this section shall be deposited in the fund in which other fees imposed by the state governmental licensing entity are deposited and shall be available to that entity upon appropriation in the annual Budget Act.
- (m) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section.
- (n) Any state governmental licensing entity receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or who has been granted a temporary license under this section shall respond that the license was denied or suspended or the temporary license was issued only because the licensee appeared on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the

Revenue and Taxation Code. Information collected pursuant to this section by any state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). Any state governmental licensing entity that discloses on its Internet Web site or other publication that the licensee has had a license denied or suspended under this section or has been granted a temporary license under this section shall prominently disclose, in bold and adjacent to the information regarding the status of the license, that the only reason the license was denied, suspended, or temporarily issued is because the licensee failed to pay taxes.

- (o) Any rules and regulations issued pursuant to this section by any state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.
- (p) The State Board of Equalization, the Franchise Tax Board, and state governmental licensing entities, as appropriate, shall adopt regulations as necessary to implement this section.
- (q)
  - (1) Neither the state governmental licensing entity, nor any officer, employee, or agent, or former officer, employee, or agent of a state governmental licensing entity, may disclose or use any information obtained from the State Board of Equalization or the Franchise Tax Board, pursuant to this section, except to inform the public of the denial, refusal to renew, or suspension of a license or the issuance of a temporary license pursuant to this section. The release or other use of information received by a state governmental licensing entity pursuant to this section, except as authorized by this section, is punishable as a misdemeanor. This subdivision may not be interpreted to prevent the State Bar of California from filing a request with the Supreme Court of California to suspend a member of the bar pursuant to this section.
  - (2) A suspension of, or refusal to renew, a license or issuance of a temporary license pursuant to this section does not constitute denial or discipline of a licensee for purposes of any reporting requirements to the National Practitioner Data Bank and shall not be reported to the National Practitioner Data Bank or the Healthcare Integrity and Protection Data Bank.
  - (3) Upon release from the certified list, the suspension or revocation of the applicant's or licensee's license shall be purged from the state governmental licensing entity's Internet Web site or other publication within three business days. This paragraph shall not apply to the State Bar of California.
- (r) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.
- (s) All rights to review afforded by this section to an applicant shall also be afforded to a licensee.

- (t) Unless otherwise provided in this section, the policies, practices, and procedures of a state governmental licensing entity with respect to license suspensions under this section shall be the same as those applicable with respect to suspensions pursuant to Section 17520 of the Family Code.
- (u) No provision of this section shall be interpreted to allow a court to review and prevent the collection of taxes prior to the payment of those taxes in violation of the California Constitution.
- (v) This section shall apply to any licensee whose name appears on a list of the 500 largest tax delinquencies pursuant to Section 7063 or 19195 of the Revenue and Taxation Code on or after July 1, 2012.

**§ 495 Public Repeal-Grounds-Procedure**

Notwithstanding any other provision of law, any entity authorized to issue a license or certificate pursuant to this code may publicly reprove a licentiate or certificate holder thereof, for any act that would constitute grounds to suspend or revoke a license or certificate. Any proceedings for public reproof, public reproof and suspension, or public reproof and revocation shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, or, in the case of a licensee or certificate holder under the jurisdiction of the State Department of Health Services, in accordance with Section 100171 of the Health and Safety Code.

**§ 496 Violation of §123; Grounds**

A board may deny, suspend, revoke, or otherwise restrict a license on the ground that an applicant or licensee has violated Section 123 pertaining to subversion of licensing examinations.

**§ 498 License Secured by Fraud, Deceit, or Knowing Misrepresentation; Grounds**

A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee secured the license by fraud, deceit, or knowing misrepresentation of a material fact or by knowingly omitting to state a material fact.

**§ 499 False Statement in Support of Another Person's Application; Grounds**

A board may revoke, suspend, or otherwise restrict a license on the ground that the licensee, in support of another person's application for license, knowingly made a false statement of a material fact or knowingly omitted to state a material fact to the board regarding the application.
