15 Respondent.

16  
17 Complainant alleges:

18 **PARTIES**

19 1. Douglas R. McCauley (Complainant) brings this Accusation solely in his official  
20 capacity as the Executive Officer of the California Architects Board (Board), Department of  
21 Consumer Affairs.

22 2. On or about October 11, 1973, the Board issued Architect License Number C-7763 to  
23 Andrew Barmakian (Respondent). The Architect License will expire on January 31, 2011, unless  
24 renewed.

25 **JURISDICTION**

26 3. This Accusation is brought before the Board under the authority of the following  
27 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
28 indicated.

1           4.    Section 118 of the Code states:

2           “(a) The withdrawal of an application for a license after it has been filed with a board in  
3 the department shall not, unless the board has consented in writing to such withdrawal, deprive  
4 the board of its authority to institute or continue a proceeding against the applicant for the denial  
5 of the license upon any ground provided by law or to enter an order denying the license upon any  
6 such ground.

7           (b) The suspension, expiration, or forfeiture by operation of law of a license issued by a  
8 board in the department, or its suspension, forfeiture, or cancellation by order of the board or by  
9 order of a court of law, or its surrender without the written consent of the board, shall not, during  
10 any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its  
11 authority to institute or continue a disciplinary proceeding against the licensee upon any ground  
12 provided by law or to enter an order suspending or revoking the license or otherwise taking  
13 disciplinary action against the licensee on any such ground.

14           (c) As used in this section, 'board' includes an individual who is authorized by any  
15 provision of this code to issue, suspend, or revoke a license, and 'license' includes 'certificate,'  
16 'registration,' and 'permit.'"

17           5.    Section 125.3 of the Code provides, in pertinent part, that the  
18 Board/Registrar/Director may request the administrative law judge to direct a licentiate found to  
19 have committed a violation or violations of the licensing act to pay a sum not to exceed the  
20 reasonable costs of the investigation and enforcement of the case.

21           6.    Section 490 of the Code states:

22           “(a) In addition to any other action that a board is permitted to take against a licensee, a  
23 board may suspend or revoke a license on the ground that the licensee has been convicted of a  
24 crime, if the crime is substantially related to the qualifications, functions, or duties of the business  
25 or profession for which the license was issued.

26           (b) Notwithstanding any other provision of law, a board may exercise any authority to  
27 discipline a licensee for conviction of a crime that is independent of the authority granted under

28    ///

1 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties  
2 of the business or profession for which the licensee's license was issued.

3 (c) A conviction within the meaning of this section means a plea or verdict of guilty or a  
4 conviction following a plea of nolo contendere. Any action that a board is permitted to take  
5 following the establishment of a conviction may be taken when the time for appeal has elapsed, or  
6 the judgment of conviction has been affirmed on appeal, or when an order granting probation is  
7 made suspending the imposition of sentence, irrespective of a subsequent order under the  
8 provisions of Section 1203.4 of the Penal Code.

9 (d) The Legislature hereby finds and declares that the application of this section has been  
10 made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th  
11 554, and that the holding in that case has placed a significant number of statutes and regulations  
12 in question, resulting in potential harm to the consumers of California from licensees who have  
13 been convicted of crimes. Therefore, the Legislature finds and declares that this section  
14 establishes an independent basis for a board to impose discipline upon a licensee, and that the  
15 amendments to this section made by Senate Bill 797 of the 2007 -08 Regular Session do not  
16 constitute a change to, but rather are declaratory of, existing law."

17 7. Section 493 of the Code states: "Notwithstanding any other provision of law, in a  
18 proceeding conducted by a board within the department pursuant to law to deny an application for  
19 a license or to suspend or revoke a license or otherwise take disciplinary action against a person  
20 who holds a license, upon the ground that the applicant or the licensee has been convicted of a  
21 crime substantially related to the qualifications, functions, and duties of the licensee in question,  
22 the record of conviction of the crime shall be conclusive evidence of the fact that the conviction  
23 occurred, but only of that fact, and the board may inquire into the circumstances surrounding the  
24 commission of the crime in order to fix the degree of discipline or to determine if the conviction  
25 is substantially related to the qualifications, functions, and duties of the licensee in question.

26 As used in this section, 'license' includes 'certificate,' 'permit,' 'authority,' and 'registration.'"

27 ///

28 ///

1           8.     Section 5500 of the Code states: "As used in this chapter [Chapter 3 (commencing  
2 with Section 5500)], architect means a person who is licensed to practice architecture in this state  
3 under the authority of this chapter."

4           9.     Section 5555 of the Code states: "Licenses to practice architecture remain in full force  
5 until revoked or suspended for cause, or until they expire, as provided in this chapter [Chapter 3  
6 (commencing with Section 5500)]."

7           10.    Section 5577 of the Code states:

8           "The conviction of a crime substantially related to the qualifications, functions, and duties  
9 of an architect by the holder of a license constitutes a ground for disciplinary action. The record  
10 of conviction, or a certified copy thereof certified by the clerk of the court or by the judge in  
11 whose court the conviction is obtained, is conclusive evidence of the conviction.

12           A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to  
13 be a conviction within the meaning of this section. The board may order the license suspended or  
14 revoked, or may decline to issue a license, when the time for appeal has elapsed, the judgment of  
15 conviction has been affirmed on appeal, or an order granting probation is made suspending the  
16 imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4  
17 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of  
18 not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or  
19 indictment."

20           11.    Section 5578 of the Code states: "The fact that the holder of a license is practicing in  
21 violation of the provisions of this chapter constitutes a ground for disciplinary action."

22           12.    California Code of Regulations, Title 16, (Regulations) section 110 states:

23           "For purposes of denial, suspension, or revocation of the license of an architect  
24 pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a  
25 crime or act shall be considered substantially related to the qualifications, functions and duties of  
26 an architect if to a substantial degree it evidences present or potential unfitness of an architect to  
27 perform the functions authorized by his/her license in a manner consistent with the public health,

28           ///

1 safety or welfare. Such crimes or acts shall include, but not be limited to, those involving the  
2 following:

3 (a) Any violation of the provisions of Chapter 3, Division 3 of the Business and  
4 Professions Code. [The Architects Practice Act, Business and Professions Code sections 5500-  
5 5610.7.]”

6 FIRST CAUSE FOR DISCIPLINE

7 (Conviction of a Crime)

8 13. Respondent is subject to disciplinary action under sections 5577 and 490 of the Code,  
9 in conjunction with section 110 of the Regulations, in that on or about April 3, 2009, in a criminal  
10 proceeding entitled, United States of America vs. Andrew Barmakian, in the United States  
11 District Court, Eastern District of Virginia, Case No. 2:08cr197, Respondent was convicted,  
12 pursuant to his plea of guilty, of violating Title 15, United States Code, section 1 (Conspiracy to  
13 Restrain Trade), a felony and crime substantially related to the qualifications, functions, and  
14 duties of an architect. The circumstances are as follows:

15 a. Beginning in or about December 2000 and continuing until in or about May 2003, the  
16 Respondent and co-conspirators entered into and engaged in a combination and conspiracy to  
17 suppress and eliminate competition by allocating customers and rigging bids for contracts of  
18 plastic marine pilings in the United States and elsewhere. The combination and conspiracy  
19 engaged in by the Respondent and co-conspirators was in unreasonable restraint of interstate and  
20 foreign trade and commerce in violation of Section 1 of the Sherman Act (15 U.S.C. § 1).

21 b. The charged combination and conspiracy consisted of a continuing agreement,  
22 understanding, and concert of action among the Respondent and co-conspirators, the substantial  
23 terms of which were to allocate customers and rig bids for contracts of plastic marine pilings in  
24 the United States and elsewhere. The victims of this conspiracy included the Department of  
25 Defense, including the U.S. Navy, as well as private companies.
